Residential on 0.28 Acres

DRUMMOND, Chevy Chase, MD

This deceptively large and graceful home presents a wonderful opportunity on coveted Drummond Avenue. Originally built in 1900, the house was significantly expanded in 2021-2022 to more than 4,000 sqft above ground, blending timeless architectural character with modern spaces and convenience. Exquisite period details welcome you into the home — including a romantic wrap-around porch, wide central foyer, 10-foot ceilings, heart-of-pine floors, double salon, and elegant pocket doors. The formal rooms flow effortlessly from one to the next, leading to a light-filled, open-concept kitchen and family room with green views on three sides, overlooking the rear deck and garden. The versatile floor plan offers three main-level bedrooms and two upstairs bedrooms, including a serene primary suite with its own sitting room and private laundry. Multiple office options and living spaces make the home ideal for multi-generational living, a live-in caregiver, or working from home. The detached garage has been transformed into a stunning artist's studio, complete with a loft ceiling, skylights, and generous windows that flood the space with natural light. The original garage door remains in place for easy reconversion if desired. A large unfinished basement provides additional storage, laundry, and workspace. The Village of Drummond is on a quiet, grand street, and this home is perfectly located near the pedestrian trail in the center of the village. The house sits on an expansive 12,000+

square foot lot with mature trees and plantings, a private rear garden, flagstone patio, herb boxes, raspberry bushes, a lovely front garden, and a large private driveway. Somerset Elementary is just one block away, while Norwood Park, Little Falls Trail, the Capital Crescent Trail, and Bethesda Pool are all within walking distance. Friendship Heights and downtown Bethesda are both under a mile awayâ€” offering easy access to shops, dining, and Metro. Square footage is approximate and is from a 3rd party source; it differs from the tax record and is to be verified by buyer. Selling As Is.
