Residential on 0.24 Acres

GLENORA HILLS, Rockville, MD

Estate Sale - this 1965 well built colonial home has been owned by one family for almost 50 years; IT's ready for a new future - Sold AS-IS but with all systems in place and ready for updating. Roof is less than five years old. Replacement insulated windows are in place, so this home needs a creative buyer who will update the floorplan to their needs and earn equity in one reasonable project. It's one lot away from Glenora park with playground and Ride-On Bus Stops nearby. Glenora Hills is a non-HOA community with fewer than 100 single family homes on 1/4 acre lots, which means space exists for a house addition and/or added exterior features. 203(k) and other renovation lending programs are available with many options for buyers with vision who want to purchase at a price below the neighborhood comps and upgrade to suit needs. Contact LA via email, text or phone to discuss your plans or to answer questions. FHA, Fannie and Freddie Mac all have loan programs to include renovation funding into one mortgage.
